Loewe **stellar**

The craft design TV with Loewe dual channel dr+

High performance OLED module designed, engineered and tailored by Loewe in Kronach

Dual channel dr+ system with double triple tuner and SSD for multi view and multi recording

Full support of 4x HDMI 2.1 and Ultra HD @ 144 Hz VRR for high-speed gaming

Rich variety of smart streaming apps and VOD services with Tizen OS

Powerful integrated sound bar for superior audio performance

Optional ultra-slim wall mount or motorized floor stand

Sophisticated design with real materials and magic moments of light and motion

NETFLIX YouTube prime video Disney+ Samsung TV Plus

Tizen OS Bixby SmartThings works with Google Home

HDR10+ Dolby ATMOS dts HD dts X Bluetooth USB HDMI Wi Fi CERTIFIED

LOEWE. was found by the Loewe brothers as Radio Frequenz GmbH in Berlin in 1923.
Today we still design, develop and produce consumer electronics – Made in Germany.

Loewe **stellar**

The craft design TV with Loewe dual channel dr+

Home-made OLED module

The latest generation and technology of OLED open cells with master black polarizer offer highest brightness and unparalleled motion picture performance in Ultra HD resolution.

The OLED module is designed, engineered and tailored by Loewe in Kronach with alu-compound back-forming, massive alu frame and real concrete or aluminum back-cover.

Pre-calibrated in our factory and supporting HDR 10+ Adaptive, these displays meet all relevant filmmaker picture and colour standards for a perfectly natural and impressive movie reproduction.

Loewe dual channel dr+

Equipped with a dual channel chassis, double triple-tuners and a large SSD, the Loewe dr+ system offers multiple viewing and recording possibilities from EPG programmed recording to spontaneous timeshift functions.

Tuners for DVB-T2/C/S2 HD and a easy accessible CI slot support various reception and recording scenarios. The Solid State Drive is perfect for video applications and both energy efficient, extra fast and absolutely noise-less for maximum comfort.

Tizen OS

The premium Tizen OS version 8 is a most convenient and fast smart operating system. The app store offers an extra-large selection of smart apps and a rich variety of video-on-demand services, including e.g. Netflix, YouTube, Disney+ and more.

The system is also compatible with advanced networking features: The support of broad-used dlna, Miracast and others allow comfortable content sharing and control via the home network.

Flexible connectivity with HDMI 2.1 including Ultra HD @ 144 Hz VRR ensures full support of latest game consoles on all four HDMI inputs.

Integrated sound bar and magic.light

An impressive 80 watts front-firing soundbar behind a high-gloss black spray painted metal speaker grill in harmony together with the Loewe signature.ring and the Loewe magic.light - for a discretely welcome and farewell animation or an atmospheric illumination during movie watching.

Simply adjust it as desired in any colour of the rainbow, at different brightness and saturation levels, by the touch of a button on the Loewe stellar remote.

Design craftsmanship

Sophisticated craft design and clever construction details from the in-house Loewe design and innovation studio.

Created with selected real materials like a four-sided brushed full aluminum frame in a diamond-cut shape, real glas-fiber enforced concrete or aluminum on the back panel and a rotatable table stand made of massive aluminum with a fine hairline-brushed finish. The real concrete back-cover gives each TV its unique fingerprint.

All connections are hidden, and all cables are well guided and hidden by the integrated cable management plus cable covers in the light grey rear cabinet. The solid VESA bolts support any mounting solution.

Sophisticated setup solutions

The Loewe magic.motion feature rotates the TV set on the motorized optional Loewe floor stand motor stellar by a touch of a button on the Loewe remote stellar up to 45° left or right - absolutely silently and smooth.

Of course the floor stand is also made of massive aluminum with a fine hairline-brushed finish. The optional floor2ceiling stand creates a spectacular free-floating 360° presentation, the wall mount stellar allows an extra slim wall solution.

Loewe **stellar**

The craft design TV with Loewe dual channel dr+

Achievements

“The TV model stellar shines with latest display technology, powerful hardware and new design language which lift an OLED TV in new dimension.”
International Forum Design, February 2024, about Loewe stellar
iF DESIGN AWARD 2024

“The Loewe stellar is an OLED television that, thanks to the modular construction of its display module, offers a multitude of possibilities for material combinations.”
Red Dot, April 2024, about Loewe stellar
reddot winner 2024

“The Loewe stellar has an extraordinary extraordinary look with a perfect 360-degree design, consistent and unmistakable for all display sizes.”
audiovision magazine, edition 10/2024, about Loewe stellar
BEST DESIGN

“From the conception of the design, to the development of hardware and software, construction, prototyping and final assembly final assembly of the stellar TV models all development steps at Loewe in Kronach.”
audiovision magazine, edition 10/2024, about Loewe stellar 65 dr+
BEST OLED

“The integrated, front-firing soundbar with 10 drivers, 80 watts of total music power and Dolby Atmos sits behind a high-gloss lacquered metal grill and ensures best speech intelligibility, a wide stereo stereo stage and dynamic film sound.”
audiovision magazine, edition 10/2024, about Loewe stellar 65 dr+
